COUNTER IMPROVISED EXPLOSIVE DEVICE (CIED) SECURITY SOLUTIONS THAT WORK FOR YOUR BUSINESS.

INTRODUCTION TO BASIC SEARCH AWARENESS BSAT TEAM LEADER (TL) / SECURITY MANAGER (SM) (BSATTL) COURSE

A 4.5-hour (1/2-day) presentation providing an overview of current criminal and terrorist threats. It provides civilian (non-security) staff with the knowledge and capability to react safely and effectively in support of a security incident.

BASIC SEARCH AWARENESS TRAINING (BSAT)

A 2 to 5 day course based on your requirements from refresher training to a 5 day in depth Counter Terrorist SEARCH Course.

A 1 or 2 day course providing Team Leaders (TL) and Security Managers (SM) with the ability to plan, evaluate and conduct security SEARCH operations having attended the BSAT course. It provides TL and SM with the knowledge and capability to implement security SEARCH into existing security protocols.
